

I dont understand why the cell phone folks are having such a hard time with people being able to keep the same number.
why dont they get together like the real estate people did.
let everyone keep the same number they have now.in real estate when some one sells land no matter who has it everyone gets a cut. instead of bilking the public for wanting to keep the same number - that " WE ARE ALREADY PAYING W A Y TOO MUCH FOR NOW...."
HEY IF YOU PEOPLE WANT OUR BUSINESS - LET EVERY ONE KEEP THE SAME NUMBER. NO CHARGE.
YOU HAVE A PROBLEM WITH WHAT I'M SAYING -COME TALK TOO ME.
LEONARD IVING LEHMAN . THERE ARE A LOT OF PEOPLE THAT FEEL THE SAME WAY I DO. I WILL TELL YOU WHAT - YOU MAY PRICE YOUR SELVES OUT OF BUSINESS. IF IT GETS TOO MUCH HIGHER. I'M GOING BACK TO HARD LINE. WE HAD A LOT LESS HEADACKES AND A LOT BETTER SERVICE.
THIS IS ONLY A CONVIENCE, NOT A HAS TO HAVE PHONE SERVICE....
